BIO

Left to right: Chris VanderTuuk, Dave Bucher, Steve Tannheimer & Tony Rock

Finneus flat out “brings it” every time out... Whether it's an intimate nightclub, or a thousand-seat theater, these Chicago music scene veterans bring an undeniable energy to the venue. Witnesses to a Finneus show have been known to display symptoms of singing along, dancing onstage, on the bar, or anywhere there's room to dip, shake and put the freak on. With nearly 100 years combined experience in the music industry, Finneus are well respected pros.

Finneus caters its setlist to meet the crowd's expectations every time. Finneus has always taken a different approach to performing cover songs. Our catalog certainly focuses on rock, but often strays into country, rap, etc as well as covering everything from the 60's to the music of today. There is always something for everyone at a Finneus show. “I can't believe you guys played that song; that was awesome” is a common comment.

Continuously delivering their prolific catalog throughout the Midwest, Finneus' special blend of finneus-ized (funked-up) cover songs, while throwing an occasional groove oriented original music into the mix for good measure. Finneus specializes in taking songs you know and making them “just a little bit better” or “throwing some songs in the blender”. This recipe has earned Finneus a die-hard following.

Finneus is:

Dave Bucher: Lead Vocals / Bass Guitar

Steve Tannheimer: Vocals / Guitar

Chris VanderTuuk: Vocals / Guitar

Tony Rock: Vocals / Drums
